

How to add an Avatar to your Signature

The first step in adding an Avatar to your signature is to send your picture file to the webmaster so it can be uploaded to the server and placed in the right folder.

Send your picture file by email to webmaster@middletnhog.com

Note : Ensure your picture is "Family Friendly" .

1. Click inside the Signature box
2. Type in the following line but change JoeBikesm.jpg to the name of your picture file:
`<hr>
`
3. Add any text you want in your signature after the `
` in the above line
4. Ensure both boxes below signature box are set to Yes
5. Click the Submit button

That wasn't too hard was it ??

Remember your Avatar will not be visible in your signature until the webmaster receives your picture file and uploads it to the server.
